

INTERESTING PHOTOS OF DAYS PAST

Started Simply enough my first time at Bench and Bar. I allowed my dad to sit next to me.

Well after college I began a research laboratory developed a Heartworm (*Dirofilaria*) test for dogs called the Swinex Test

Became a Providence Police Officer and was assigned to the Traffic Division where I rode a Harley - Davidson

Pre-flight aircraft before I conducted a PPD photo recon On November 12, 1986

- THERE'S MORE -

Flying to the FBI laboratory in Washington, DC with evidence to be examined of a Hit & Run Homicide, August 31, 1988

Another Pre-Flight for a trip to New Hampshire to investigate a Leaving the Scene accident involving a tractor Trailer, July 15, 1989

Retired from the Department however, the pistol was donated to the R.I. Historical Society in the name of Grafton (Bert) Willey, Esq., my mentor

After passing three Bar Exams in three different jurisdictions I opened an office - this was my view of the world at that time

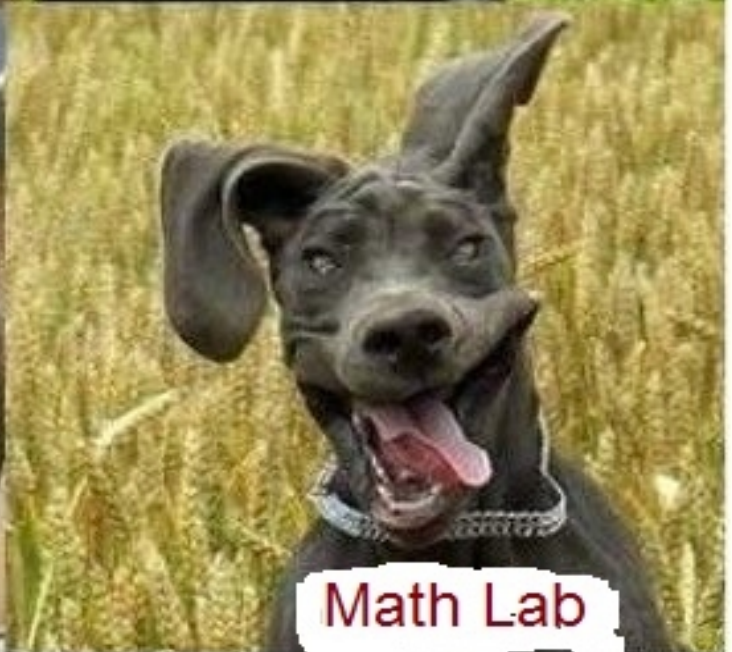

This was my Sanctum sanctorum

After my last Appellate case which I tried in Washington, DC I Visited Arlington

AFTER ALL THOSE YEARS CALCULATING
ACCIDENT RECONSTRUCTIONS REMEMBER
MATHEMATICS IS STILL FUN - IF YOU DON'T BELIEVE IT
TAKE A LOOK AT THE MATH LAB

SURE MATHEMATICS IS FUN BUT
IT CAN ALSO DRIVE YOU CRAZY !!!
